JAIL INCIDENT REPORT**Incident Number: 2021010107**

Incident Date/Time: 01/12/2021 13:18:37 Incident Type: RULE INFRACTION

Incident Location: Sheriff's Office - Investigations

Incident Cause: non-compliant / combative inmate

NARRATIVES (Facts):

Chapman's Report

I, Officer Hunter Chapman (J-72), was posted as an upstairs Line Officer on 1/12/21. At approximately 1145 hours, I was instructed to escort Inmate Mack, Christopher back into the jail from the Investigations Office in the Sheriff's Department. When I arrived, Inmate Mack began demanding to use the telephone. I informed Inmate Mack that he already recieved his initial phone call upon being booked into the jail and made contact with someone, so he would be immediately returning to his cell due to being on quarantine.

Inmate Mack began raising his voice and aggressively arguing with me. I instructed Inmate Mack to walk out of the Sheriff's Office with me, and he refused to comply. Inmate Mack was fully shackled with a waist chain and leg irons, so I took Inmate Mack's left arm, attempting to escort him out of the office. Inmate Mack pulled away from me and came toward me violently as if attempting to head butt or strike me with his shoulder. I immediately reacted by striking him once in the face with a closed hand and attempted to take him down to the floor.

Inmate Mack continued to resist and failed to comply with my commands. After placing him on the floor, I called Sgt. Bridges (J-41) via radio to come and assist me. I continued ordering Inmate Mack to comply by standing up and peacefully walking out of the Sheriff's Office. Inmate Mack eventually complied, Sgt. Bridges and myself began to escort him back into the jail. After entering the jail through Door 130, Inmate Mack began to resist again by pushing and pulling against us and dropping his weight to the floor.

Sgt. Bridges and myself continued to assist Inmate Mack back to Pod 214/239. Inmate Mack made threats of violence toward us and stated that he was going to hurt one of us when the restraints were taken off. Once inside Cell 239, Inmate Mack was placed on the floor face down for safety and control. I instructed Inmate Mack to remain face down on the floor until the cell door was secured. The leg irons were removed and then the waist chain and cuffs were removed. Inmate Mack then began to push himself off of the floor, attempting to stand up while yelling "Okay, let's go".

Inmate Mack grabbed my leg, attempting to make me fall to the floor. I began striking Inmate Mack with a closed hand, while the other listed Officers assisted by placing him back on the floor and placing his hands behind his back. Inmate Mack was handcuffed and taken to medical for assessment and treatment.

Crocker's Report:

On this date I was stationed as one of the booking officers. At approximately 1145, after returning from a hospital transport, I heard yelling and screaming coming from the triangle. I immediately responded to the situation and saw that Ofc. Chapman (J-72) and Sgt. Bridges (J-41) had inmate Mack, Christopher pinned to the wall because inmate Mack was uncompliant. Inmate Mack was fully shackled, but he was refusing to walk back to his cell.

At this point I assisted Ofc. Chapman (J-72) in escorting inmate Mack back to his cell in 214/239. On our way to the cell inmate Mack was making threats to hurt one of the officers once his restraints were removed. Once we entered cell 239, we placed inmate Mack on the floor to unshackle him.

Once we unshackled his ankles, hands, and waist he attempted to stand up and stated that he was ready to fight. He then grabbed Ofc. Chapman's leg, at which time Ofc. Chapman began striking him with a closed fist. At this point I pinned inmate Mack on the floor to gain compliance. After a few seconds he ceased his resisting. He was then handcuffed, and we exited the cell and escorted inmate Mack to medical to be assessed.

End of Report.

Black's Report

On 1/12/21 I was posted as the Medical Officer. At approximately 1145 I was escorting an inmate back to his cell. As I was returning to medical, I encountered Officer Chapman (J72), Sgt. Bridges(J41), and Officer Crocker(J52) escorting inmate Mack, Christopher back to his cell in pod 214.

Inmate Mack was acting in an aggressive manor, resisting, and not compiling to the officers commands. Inmate Mack was fully shackled and was refusing to walk back to his cell. At this time I assisted Sgt. Bridges, Officer Chapman, and Officer Crocker in escorting inmate Mack to cell 214 239.

Once in the cell, we placed Inmate Mack face down on the floor. Sgt. Bridges instructed inmate Mack to stop resisting while we removed the shackles. Inmate Mack began making violent threats towards us.

Once the shackles were removed, inmate Mack grabbed Officer Chapman by the leg like he was trying to make him fall. At this time inmate Mack began to get up and I began striking inmate Mack in his left rib cage with a closed fist to gain compliance.

Once we gained control of situation, inmate Mack was handcuffed behind his back and escorted to medical. I was advised to fill out a use of force and give it to Sgt. Bridges.

End of report...

Bridges Supplement:

On 1/12/2021 at around 1145 hours I Sgt. Joshua Bridges J-41 was conducting my duties as the shift supervisor on duty when the following occurred. Officer Chapman J-72 called me via radio and stated that he needed my assistance in the sheriff's office. When I entered the sheriff's office, Officer Chapman was forcefully escorting Inmate Christopher Mack out of the C.I.D department. Inmate Mack was yelling and actively resisting Officer Chapman, so I grabbed Inmate Mack by his shirt and assisted Officer Chapman in escorting him through door 130.

Once we were through door 130, Inmate Mack dropped himself to the floor and began screaming that he wanted to talk to the captain, because he had been assaulted. Officer Chapman and myself picked Inmate Mack up and placed him up against the wall beside door 159. I then attempted to get Inmate Mack to calm down, but he continued to scream and actively resist both of us. Lt. Thompson J-4, MSGT Murphy J-11 and Officer Crocker J-52 soon arrived and assisted in getting Inmate Mack to central horseshoe.

Officer Chapman, Officer Crocker, Officer Black, and I then escorted Inmate Mack to pod 214, and Inmate Mack stated to me "when we removed his restraints we would see what he was all about". Once we entered cell 214-239, I instructed Inmate Mack to lie face down on the floor and not move until his restraints were removed. Inmate Mack then fell on his back and refused to roll over onto his stomach. Officer Chapman and I then had to pick Inmate Mack up and place him on his stomach. Once the hand restraints were removed, Inmate Mack then began to yell "let's go" and began actively fighting. I then assisted the other listed officers in taking Inmate Mack back to the ground, where he continued actively fighting us. I then struck Inmate Mack several times in the face with a closed fist, in order to gain compliance. Once we were able to gain compliance, Inmate Mack was cuffed behind his back and escorted to medical to be checked out by the nurse.

After checking out Inmate Mack, Nurse Jennifer stated that per Dr. Zein, Inmate Mack would have to be sent out to the hospital for further evaluation. Inmate Mack was escorted to Rankin Merit by Officer Crocker J-52. **END OF REPORT**
